Transmittal of training material

Action Required: None

1. Forwarded as attachment A are 21 Stay-Behind Working Papers (listed in attachment B). These documents have been released by KUBARK for field use with the understanding that they will be used by staff personnel in training indigenous agents. KUBARK concurred in the release of these classified documents for transmittal overseas with the following stipulations:

a. that adequate physical security facilities are available at the field station to safeguard the documents, and that they will be transmitted to the field in a secure manner.

b. that the documents will be used by KUBARK staff personnel only, and they will not be shown to any other personnel. Information derived from classified training papers may be used in training non-staff personnel in accordance with the regular security standards governing the release of classified information to indigenous agents.
